## March 16, 2009 Minutes

The South side ladies were the first in the service line tonight.

Roll Call was answered by 28 members. Ladies reminded that dues needed to be paid.

Treasurer Report by Marilyn: After bills paid we have balance of \$2,417.36.

March Sew Days in Plainville had 8 present and Stockton had 3.

Sew Dates for April are Plainville 8th and Stockton 11th .

Refreshments for April to be provided by: Kenda, Arlene, Janice, Doris

Erma brought an old clipping from the Hays Daily Newspaper printed in the 90's and gave it to the guild to be scrap booked. It is about a couple devoted to making quilts in their retirement years, John and Edith Buttermore from Stockton.

Susan discussed the trip scheduled for April 25th to Lincoln, Nebraska at the international Quilt Museum. The museum will be opening a new exhibition featuring Grace Synder's Quilts. The demonstration will be on "petty point". There will be a tour of the museum, we will lunch there and more than likely do a little shopping. Cost is around \$4.00 per lady. There is a bus out of Norton on April 18th for any others who might not be able to attend the 25th.

It was brought to our attention that the Yoder parade of quilts is the month of March.

Janie's quilts are on display at the Logan museum. The quilts are from children who have

taken her class and created. Classes will begin again the month of October this year.

Susan received a call from the Plainville Library requesting that someone teach children in June on one Tuesday around 10:00 a.m. for 20-40 minutes. Some discussion was held and anyone willing should let Susan know.

There were a lot of things shared this evening: Betty Bobbitt told of her great grandkids and grandchildren coming to visit. They ranged from 2 1/2 to 11 years of age. She wanted something for them to do and came up with a wonderful idea of taking a sheet the size of a table cloth and having them color on it. She will then set the color and quilt it in the future. Good suggestion, Betty!

Donna advised us that Ann Curry has loaned Ken's wood burned blocks from Rooks County of brands around the area to be on display at the Museum.

Idona inquired of us about a baby sling that one person could carry/tote a child in and then pass them to someone else to carry them in the sling. Should someone have an idea how to create one she would be interested.

PROGRAM: This evening Jana and Idona challenged us with a project of creating a table runner as a quilt as you go project. There were teams made and everyone pitched in. They turned into a lot of enjoyment and great projects. Thanks ladies!!

Door prize won by Kortney, and was provided by Berdina; 18 fat quarters won by Janie.

FAT QUARTERS for April are to be Easter theme or Spring flowers.

Meeting was adjourned.

Next meeting will be April 20th.

## **February President's Letter**

Dear Quilter's;

On your mark -- get set -- sew!! That's what we did with our "Quilt As You Go" projects at our last meeting. It was such fun to work as teams to select and arrange colors, press, and sew on five table runners. Next month we will share binding secrets, and then the table runners will be donated to the Stockton Senior Center.

We are seeing a lot of rich colorful blocks from our Block of the Month series. Kourtney already had her challenge fabric project completed and challenged all of us to begin work on ours!!! Karen and Janie showed baby quilts they had completed, and Betty and Kenda also had finished quilts to share!! Since I am in the middle of a basement construction project at my house, I am frustrated that I can't make any progress on my quilting projects!!

The Plainville Library has a display wall for quilts and were asking for Crossroad Quilt Guild members to sign up to have their personal quilts displayed for a month there. They are also looking for quilters to do a program on "Being Creative" at a June Library Hour. The phone number there is 785.434.2786.

We have a van load of ladies who will travel to Lincoln, NE on April 25th to visit the Int'l Quilt Museum and see a Grace Snyder demonstration.

There is a Parade of Quilts in Yoder (near Hutchinson) all during the month of March, and the Hansen Museum at Logan is

featuring quilts made from classes that have been taught there through the years by Janie Lowry.

Our quilt guild will meet again on the 20th of April, with Sew Days on April 8th at Plainville and April 11th at Stockton. I look forward to seeing you all then!!

Until then -- Happy Quilting!!!

Susan
