

# Crossroad Quilt Guild

“Where friendships are made with each stitch”

Volume 7 Issue 6 June 2009

## May 18, 2009 Minutes

The South side ladies were the first in the service line tonight.

Roll Call was answered by 23 members. We had two guests this evening, Lois Stafford and Connie Conyac.

Treasurer Report by Marilyn: After bills paid we have a balance of \$2,217.36.

April Sew Days in Plainville had 8 present and Stockton had 8.

SPECIAL SEW NIGHT for charity quilts had 8 ladies present. **Next month's meeting on the 15th of June will be another sew night for charity quilts.**

Refreshments for June to be provided by: Jana, Sue, Arlene & Betty.

We were all glad to have Jana back and she reported she is now 5 years cancer free! Jana shared a box of quilting books she received from a lady and many were checked out but are to be returned to Jana. This was part of the program tonight and appreciated.

Erma C. shared her hand project of one inch squares (actually 3087 squares) she took three months to put together. This project was her traveling project to see Dalene, our sister quilter. It was a tedious project and we all were glad Erma was diligent to get the top finished for our May meeting.

Ann C. had a “progress report” on her queen size quilt; she has it half done so feels she will be able to finish it before she dies now :}

Susan G. reported on the Lincoln, Nebraska trip to the international Quilt Museum. She shared documentation on Chintz Appliqué and Grace Snyder's quilts.

Word was received from Marsha S. that we can receive a free paper called the “Country Register”. We will check the website and see if it would benefit our guild.

Idona D. will be purchasing material for backing on our charity quilts.

Susan G. reported that on June 5-6 there will be a quilt show in Liberal called “Affair of the Heart” and that same weekend is the Kansas shop hop.

A motion was made by Karen R. and second made by Diane M. to allow our program committee to purchase prizes for games for the month of July.

Several ideas were discussed for next years quilt challenge and tree decorations at Christmas time. Susan is asking that more be thought of and presented. She reminded us that the RC Fair is not that far away and we need to be getting our projects finished.

16 Fat Quarters were won by Jana this evening.

Gladys brought the door prize this evening and it was won by Arlene.

Fat Quarter theme for the month of June will be Roses and Flamingoes.  
SEE YA ALL ON THE 15TH OF JUNE.

## **April President's Letter**

Dear Quilters;

May is always such a busy month with graduation's and get-together's with family, friends, and alumni. It is harder to find time for quilting, but we are never too busy to check out the new patterns in our latest quilting magazines!!

We had a nice turnout for our May meeting and it was so nice to have guests present! A lot of wonderful projects were shared, and a report given by the members who toured the International Study Museum in Lincoln.

Sew Days continue to be well-attended, and at our extra sew night in May, several members completed four quilt tops to be given to hospice and veterans causes. Idona will pick up some backing fabric, and we will work on tying these quilts, plus starting a few more quilt tops at our next sew day which will be held the afternoon of June 15th -- which also happens to be our next meeting date!! So, plan on attending the June meeting, but come early so you can help with our charity quilts!!!! Regular Sew Days will be June 10th in Plainville, and June 13th in Stockton.

It is definitely time to be thinking about our fair booth and our challenge fabric projects. I know your creative minds are working overtime --- and we will see some awesome results!! If you need more ideas or inspiration there is at least one quilt show and several shop hops this month if you can fit it into your schedule to attend.

Our next meeting is June 15th and the theme for FQ's is roses and/or flamingoes!!!

Until next time ----

Happy Quilting!!! Susan

Blocks of the Month are:
